8 February 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 8 February 1967

ADD/I said that FBIS is intensifying its coverage on China.

In reply to a question ADD/I described the oil potential in North Africa.

Godfrey briefed the Director on the latest developments in China.

The Director noted Wilfred Burchett's article in the Washington Post this morning.

Allen for Carver felt that the North Vietnamese have somewhat clarified their position on talks and probably consider that the ball is in the U. S. court.

Kent reported that the disarmament Estimate will be on tomorrow's USIB agenda and that ONE will coordinate a short summary this afternoon. The East African Estimate will lie over until next week for the purpose of including new information. The Indonesian Estimate will be on the agenda. The Director decided that there will be no pre-USIB meeting.

The Director initiated a discussion on an interagency infiltration paper. The DDCI recommended that he call Admiral Lowrance and arrange that the paragraphs on intent be removed from this paper and, if covered at all, be the subject of a separate NIE. The Director agreed.

The Director arranged with the DDCI for him to meet with Ambassador Korry this morning should the Director be attending an NSC meeting.

X1 briefed the Director on a conclusion in the Watch Report concerning a major statistical change in infiltration over the last few months. The Director asked that those concerned concert on the

Agency's position on the implications of a drop in infiltration and that he be alerted if there is any significant change in the Agency's position on Hanoi's intentions to prosecute the war.

25X1

DD/S noted a memorandum for the Director from the Commander, Naval Facilities Engineering Command expressing appreciation for the use of Agency gear in expeditiously correcting a security problem.

25X1

Executive Director reported that Idar Rimestad has accepted the Agency's invitation to spend the day of 16 February at Headquarters. (See Action 1)

Executive Director noted that the National Interdepartmental Seminar will visit Headquarters tomorrow and that the second Brookings group luncheon is scheduled for Friday.

DDCI complimented the DD/S on yesterday's snow removal. (See Action 2)

The Director said that he was both surprised and pleased about the number of personnel who made it to Headquarters yesterday morning. He asked that his comments be passed on.

25X1

ACTIONS:

1. Executive Director asked that the Deputy Directors and any others concerned inform him by tomorrow of the time they propose to spend briefing Rimestad so that a suitable schedule can be drawn up. (9 February)
